A really lovely detached house, in a great location close to the town of Sax, which is about 30 minutes inland from Alicante airport and the blue flag beaches.

 On a fully fenced, manageable plot of about 2000m², the house is approached from a tarmac road. Double opening gates lead in to the gravelled driveway. The front garden has mature plants and trees and also contains the swimming pool with pump and filter, 3 garages and a store-room. At the rear of the house is a further gardened area, outside bar, splash pool, dog kennel, 1.9m satellite dish and further store room.

Inside, the property has a very large fitted kitchen/diner, with wall and base units, a light and bright living room with wood burner and reverse cycle air conditioning, 3 very large double bedrooms, (with the master having an en-suite bathroom with full size bath and shower over and a further family bathroom.

The property is double glazed, has mains water, electricity and land line telephone and all the internal doors are solid pine. This property is in very good condition and viewing is highly recommended. The views from this villa are amazing with the beautifully restored castle lit up at night.

Sax has lots of shops, bars, restaurants, an outdoor and indoor swimming pool, state of the art 24 hour medical centre and all the amenities you would expect for day to day living. Conveniently located close to the A31 Alicante to Madrid road, access to Alicante airport is quick and easy.
