Reference: ff0846. Price: 79,995 euros. Town: Sax. This detached country property is in an elevated position, about 3kms from the affluent and prosperous inland town of Sax, which is located about 30 minutes inland from Alicante airport and the blue flag beaches.

The property is accessed via an electric opening gate and is on a fully fenced plot of about 3870m2 land and there are fantastic views over the town and restored castle. Also outside is a car port, an 8 x 4m swimming pool with pump and filter, a separate building of about 40m2 which is currently used as an office and a utility room which is part of the main house but accessed from the outside and has an electric boiler and sink.

Inside, the house is entered from a hallway into a snug, leading to the fitted kitchen with wall and base units, electric oven and gas hob. The house has two double bedrooms, one of which has reverse cycle air conditioning, a family bathroom with walk in shower and an L shaped living/dining room with reverse cycle air conditioning and door to outside.

Mains water and electricity are connected. There is a telephone and internet at the property.
