Reference: ff0908. Price: 89,995 euros. Town: Onil. A very large town house which is located a two minute walk from the inland town of Onil, which is about 35 minutes inland from Alicante airport and the coast. The house is over three floors and with the exception of one large room on the top floor, has been very well renovated.

On the ground floor there is an entrance hall, big living room with fireplace, a store room, a large fully fitted kitchen, a bathroom and outside courtyard and workshop.

On the first floor there are two double bedrooms, (with the master having an en-suite bathroom, and a further single bedroom.

The second floor has a double bedroom and a large, unfinished room with a door leading out to a terrace. The current owner isn't planning on renovating this large room, which gives the new owners plenty of scope to put their own stamp on it.

Mains water and electricity are connected. A landline telephone and internet can be connected. There is free on street parking close by.

This is a lovely, large property with good outside space very conveniently located to the town, which has lots of shops, bars and restaurants – everything you could need for day to day living and also has excellent transport links to the coast and the motorway networks.
