Reference: ff0920. Town: Sax. Price: 179,950 euros. This is a one storey villa, located a short distance from the inland town of Sax, which is about 30 minutes drive from Alicante airport and the coast. The villa sits on a fully fenced and walled plot of about 5,100m² land and is entered via an electric gate. Outside most of the land is laid to olive and almond trees. (There are about 300 olive trees – giving a good yield.) There is a 4 x 11 m swimming pool with pump and filter, an outside toilet and shower and an outside kitchen – ideal for al fresco entertaining. Also outside is a workshop, dog kennel, carport and pretty garden. The house is entered via an enclosed terrace/sun lounge into a spacious living room with pellet burner. There are three double bedrooms (with the master having an en-suite bathroom with walk in shower,) a large single bedroom, a further family bathroom with bath and shower over and a large, fitted kitchen/diner with gas hob, extractor and built in oven and microwave and door to the outside. The current owner has fitted a drinking water system and there is a solar water heater and gas boiler for backup. Mains water and electricity are connected and there is ADSL internet with good speeds.
